Make your Legacy a Better South Africa

Every year Boys & Girls Clubs of South Africa works with thousands of kids. We offer Sports, Arts, Education, Technology and perhaps most important of all teaching them how to be a better person for their family and the community. We do our best to make better futures for all our kids.

Our Clubs help nurture kids and help them become better South African citizens. We work to prepare them for good jobs and further education as we know that children are our future. We know that investing in kids today makes a more prosperous and healthy society for all of our futures.

Boys and Girls Clubs relies on donations to do our work, so thank you for considering leaving us your Legacy in your will. Your donation will help us to keep building the foundation of our great country. It will ensure our Clubs remain open to give opportunity to those whose only fault was to be born into poverty.

Together we can build a better world. If you would like to talk with someone about leaving a legacy please call us on 011-523-3259, or email at info@bgcsa.org.
